- Shorts, Reels & TikTok
- Long-form YouTube videos
- Pacing, color and sound

— YOUTUBE - 01 / 02

Long-form that holds attention.

A long conversation that held attention to the end and became the channel's best-performing piece of content.

YOUTUBE · INTERVIEW

Ernesto Beras-Goico: Expone cómo los talleres engañan a sus clientes

Full interview with a leading voice in the Dominican car world. The episode became one of the channel's strongest, with over 2 million impressions and nearly 62,000 hours of watch time — 59.7x above the channel average, the mark of a conversation that keeps people watching to the end.

Educate and discover.

Useful, research-driven content — the kind of video that turns a technical topic into a story people watch to the end.

YOUTUBE · LONG-FORM

El problema no es tu carro... eres tú

An educational video that turns a technical topic into a clear story with a strong hook. Over one million impressions and a 4.5% CTR made it one of the channel's top performers in its period.

YOUTUBE · LONG-FORM

La gran estafa de los carros usados

An investigative piece with a powerful visual hook. Though more recent, it performed 17.8x above the channel average with over 328,000 impressions, proving the strength of the concept and packaging.
